Warranty

Terms of warranty

Retail purchaser purchasing conferencing systems are free to repair defects in materials and craftsmanship, subject to or excluded from the terms set forth below.

Warranty Period

The warranty period is from the date of sale. During the warranty period, if the following conditions are found, the warranty will not be granted:

- Damaged or not maintained in a reasonable manner or as recommended in the User Manual;
- Modified, altered or used as part of any conversion kits, accessories or any configurations not sold by our company
- Repaired by someone other than an authorized Repair Agent who is not authorized by our company in relation to a defect or malfunction covered by this warranty;

Warranty content

This warranty applies to the conference system and all standard accessories, but does not include paper items such as storage cards, packaging and instructions.

User-generated Data

This warranty does not cover any claimed loss of or damage to user-generated data (including but without limitation phone numbers, addresses and images) that may be stored on your Product.

Procedure for Obtaining Warranty Service

If the product purchased by the customer needs to be guaranteed, the customer can mail the device and the customer's purchase certificate (such as a copy of the sales invoice) to your equipment dealer. Before mailing the goods, we recommend that the customer backup the data first, in case of maintenance lost or damaged in the process.
