

STEINWAY L Y N G D O R F

Steinway & Sons
MODEL C

The Model C speaker system is for those who seek the live dipole sound and demand enhanced bass for music and movies. The formula is simple: take the legendary Model D, then scale down the footprint and add powerful boundary woofers. The result is an attention-grabbing statement system that sets a new standard for full-bodied bass reproduction.

DIPOLE SPEAKER

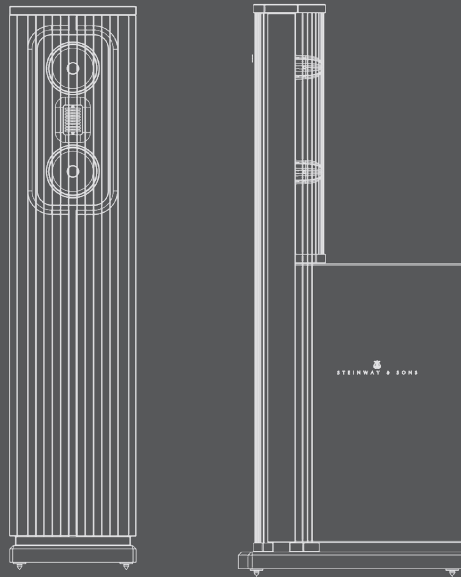

The Model C's compact, floor-standing dipole speakers contain the same mid and high modules as the Model D. The dipole design emits equal, natural sound from both sides of the cabinet - forward and backward. Thus it produces sound that interacts with the room much like a live musical instrument, creating audio that can't be compared and a statement that can't be ignored.

DIGITAL AMPLIFIERS

When clarity is at stake, there is no substitute for digital amplification. The Model C speaker integrates with the A1 or A2 fully digital amplifiers to eliminate the problem of sound deterioration resulting from a broken signal path in analog-to-digital conversions. The amplifier then drives both the Model C speaker and its accompanying boundary woofers to produce an exquisite listening experience - the purest and most true-to-life you've ever heard.

FINISHING TOUCHES

The Model C speakers is a commanding visual presence in any room. Model C speakers are available in an exquisite range of classic and custom finishes, including the same signature black lacquer finish found on Steinway & Sons pianos. Wood finishes and high-gloss colored lacquers are options to fit any room décor. All finish selections are offered with a choice of gold or chrome accents.

SPECIFICATIONS

Description:	Floor-standing dipole speaker
Frequency response:	250 - 22 k Hz
Maximum SLP @ 1 meter:	117 dB
Amplification needed:	1 channel
Input:	Digital Link (CAT 5e based)
Output:	Speakon® (for boundary woofer)
Dimensions (W x H x D):	30 x 132.7 x 54 cm / 11.81 x 52.24 x 21.26 in
Weight:	64.8 kg / 142.9 lbs
Finish:	High-gloss black with gold or chrome accents Custom colors and wood finishes available
Item no.:	90013022x
Country of origin:	Denmark
