

STEINWAY LYNGDORF

Steinway & Sons

CDP-1

Meet the CDP-1, the CD player that truly complements the superior technology and exquisite quality of the entire Steinway Lyngdorf product line. Designed with sophistication, the Steinway & Sons CDP-1 offers clear, crisp, vibration-free sourcing for the best audio experience from CD media.

CORNERSTONE OF THE FULL SYSTEM APPROACH

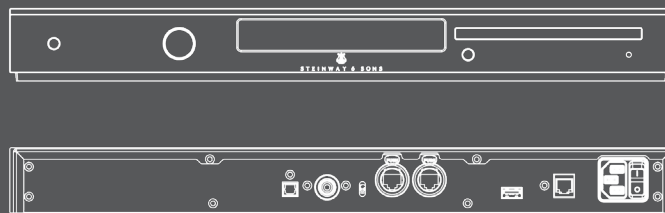

The CDP-1 CD player truly complements the superior technology and exquisite quality of the entire Steinway Lyngdorf product line. With its clean lines and sleek black Steinway finish, the CDP-1 is a sharp, elegant addition to any Steinway Lyngdorf sound system and the best CD player on the market.

SOLID CONSTRUCTION

The CDP-1 is built with a thick vibration-free chassis frame with a vibration-damped lid gives it a rock-solid construction. But don't let its stout presentation fool you. With its clean lines and sleek black Steinway finish, the CDP-1 is a sharp, elegant addition to any audio system.

STEINWAY LYNGDORF DIGITAL LINK

Controlled by the SP-1 stereo processor via the proprietary Steinway Lyngdorf Digital Link, the CDP-1 player can be seamlessly integrated into any Steinway Lyngdorf speaker system.
